Time & Talent

I would be happy to find out more about other ways I can contribute. Please contact me!

_____ **FUNraising:** Do you have some ideas for events and projects? We have several suggestions already: a pasta dinner, a plant sale, a wine, cheese and music evening, and a silent auction. Could you volunteer to help with a fundraiser? We need more ideas and folks to make this happen!

_____ **Welcome Team:** Are you someone who would be willing to welcome new Mass visitors and spend time, at Mass or later, being an “MMC mentor” making them feel welcome?

_____ **Social Justice Team Ministry and GAIA Team:** Justice is more than a concept; it’s a powerful force that defines the essence of humanity, binding us to the sacred duty of ensuring fairness and dignity for every person. It also includes environmental justice, a testament to our deep reverence of the earth. We will present opportunities to be involved in local justice actions. Join us as we identify and undertake activities that speak to our hearts.

_____ **Unsure:** Help me decide where my talents best fit the needs of the community.

Thank you so much for your generosity!

If you are making any kind of pledge, **please return this form to us.** Feel free to mail, email or drop it at the church office.
